

COVID-19 Risk Assessment

**ALBION SPORTS GENERAL RISK 2**  
**Spectators**

Designated Officers:

Mr Kulraj Sandhu  
Mr Ravinder Dharni

AUGUST 2020

<b><u>Spectators</u></b>	<b><u>Risk Identified</u></b>	<b><u>Minimise Risk</u></b>	<b><u>Notes</u></b>
EVERYONE ATTENDING GROUND	Spectators attending who may have symptoms.	We will advertise on Social Media explaining the Government Guidelines. We will be using Temperature check for all spectators attending games at the turn-style.	Ensure that device is available.
SPECTATOR TRACE AND TRACE	People attending not completing track and trace forms.	We will take a firm standing. Trace and trace will be completed upon entry. If it's not completed no access will be granted.	Gateman to have extra help for Track and trace to ensure no backlog of people getting inside.
ILLNESS	Someone becoming ill or high temperature taken upon entry	Spectator advised to leave premises immediately and seek medical attention / home isolate. We will then inform relevant areas of the incident and act accordingly.	
SOCIAL DISTANCING Ground	People too close together	The paths will be marked with coloured tape and specific intervals. We will also make announcements over the tannoy to ensure people understand. Area will be in through turnstile and OUT via exit gates.	Social Bubbles ie) Families will be able to stand together.
SOCIAL DISTANCING Stand Area	People too close together	Coloured Tape marked on areas that are not in use to allow spacing. Announcements as above.	Ensure areas are checked and tape is present

TOILETS	Too many people in the area	Signs clearly displayed on door. Male 2 people Female 1 person admitted	Ensure signs up and present
WASTE	Paper waste	Foot controlled waste bins provided to ensure paper towels used for drying are disposed of in the correct manor and offer no contamination	Ensure available at all times
BAR ENTRANCE	Social distancing not being observed	Signs clearly installed to show where people need to walk up and down the stairs – walking on the Left in both directions and allowing people to pass adequately.	
TABLE DISTANCE	Social Distancing	Tables to be set out with the minimum distance between each one. We have already been assessed for 60 People at current measures.	
DRINKS	Cleanliness of cutlery / glass	We are only using disposable cups for Alcoholic Drinks or Cans. Glasses will NOT be used for the foreseeable future. Food is no served currently.	
FOOD	Waste & Hygiene	Food will be served in disposable containers from the specified bar area. Floor will be marked for social distancing.
